Discussion:

Staff updated the Council and Commission on the status of the Planning Division's workload, including projects within the Historic Resources Work Program and Design Review, various ordinance amendments, and *Plan Santa Barbara*. The discussion then focused on a possible interim ordinance and/or City Charter amendment to respond to community interests in the areas of reduced building height limits, setbacks, open space, and unit size for mixed use and commercial developments. All Councilmembers and Commissioners present stated their views regarding the need for an interim ordinance or Charter amendment. Community Development Director Paul Casey summarized the consensus that was reached, stating that Staff will schedule an item for a Council agenda in early November to recommend placement of a Council-initiated Charter amendment on the November 2009 election ballot.

Councilmember Williams left the meeting at 3:35 p.m.

The Planning Commission meeting was adjourned at 3:45 p.m.
